### SHOOT REPORT

### Lima March 5 & 6

Our eighth shoot of the season took us to Lima. We had a total of 133 shooters shoot this weekend, and most of it happened on Saturday with the windy forecast for Sunday. This was our third and final Stein and Hayes event of the season. Tom Buchiere took the Stein trophy with a 49X50. Nita Schumacher continued her dominance on the Ladies side to capture the Hayes Trophy with a 44X. That means Nita made a clean sweep this season. Nice shooting to both Nita and Tom. Thank you to the fine folks at Lima for keeping the shoot running so smooth on Saturday. You all did a fantastic job with over 90% of the shooters shoot on Saturday. Our next shoot takes us to Mendon. This will be our ninth shoot of the year. Make sure you get your make-ups in. You will need eight scores to shoot in the class shoot off in April. I will be cashiering the Mendon shoot, so I can let you know how many scores you need.
