COMMANDER'S NOTES

Our new Commander Jerry Korstad asks everyone to support all the great activities and organizations we support thru the Legion.

We are able to continue this support with your help and by renewing your membership in a timely manner. Please send in your dues as soon as possible, and continue to work on signing up new members. Thank you!

(Editor's note: remember that anyone who signs up a new member to the Legion, Aux, or SAL will get their name posted on the free drink board for one week.)

AUXILIARY NEWS & NOTES

Hope everyone is enjoying their summer!

Thank you to everyone who helped or took part in the 4th of July events.

The 8th grade students are back from their Washington, DC trip. A great week of learning the great history of our nation and better knowledge of what Americanism is from experiences they wouldn't get out of a textbook! The Auxiliary, Legionnaires and SAL are very proud to have been able to help make this happen through the 8th Grade breakfast. Thank you to those who came out to enjoy!

We will be collecting Back to School supplies again this year for some of the less fortunate young students in our community. The following items would be greatly appreciated!

Crayons, White glue, 2-pocket folders, #2 Pencils, Glue Sticks, Wide-rule notebooks, Colored Pencils, Scissors, and Erasers.

A donation box and donation jar for those that would rather help monetarily, will be setup in the lounge. Thank you, for your continued support of our youth!

With the 2018-2019 Membership renewals just around the corner, I would like to express how important it is to get our renewals in early, along with new membership. With your membership the Auxiliary is able to fund the following: American Education Week, Scholarships for Graduating Seniors, Girls State, 4th of July Fireworks, Veterans at the Care Center and more. By renewing your membership, we can continue to help our Veterans, Youth and Community! This is what the American Legion Auxiliary is all about! Thank you for being a member!

Thank you for supporting our great organization and our Veterans.

- Peanuts are one ingredient in Dynamite.
- Crocodiles and alligators are surprisingly fast on land. Although they are rapid, they are not agile, so, if you are being chased by one, run in a zigzag pattern to lose him or her.
