

# VISION OF RAPTURE DATE? WHEN PENTECOST FULLY CAME

*A Correlation of the Feast of New Wine*

*'No, this is what was spoken by the Prophet Joel: ' In the Last Days, YHVH says, I will pour out My Spirit on all People. Your Sons and Daughters will Prophesy, your Young Men will see Visions, your Old Men will dream Dreams. Even on My Menservants and Maidservants I will pour out My Spirit in those Days, and they will Prophesy.' -Acts 2:16-18*

The purpose of this study is to share a 'Dream' or 'Vision' one had about a number, 723. As a Disclaimer, one is not a Prophet or 'A Son of a Prophet'. One would hope one is 'Prophetic' in terms of Insight only. In fact, one does not take stock in 'Dreams' as such until one had a Near Death Experience. One usually does not remember any Dream Details, but glimpses here-and-there as a Flashback, perhaps.

For what it is worth, concerning the many speculated Timelines of the Rapture Event, around the Beginning of July 2021, one did have a Dream. It was 'Flashback' from what was remembered and it had to do with a Number that 'Flashed' across a Screen or a Canvas it seemed. But then one 'forgot' about it or did not pay attention to it. Then about 2 Days afterwards, that precise part of the Dream and/or Vision appeared, exactly as one had seen it before, as if one was again to be reminded of it.

So, a reminder occurred about this '723' Number, in particular as to say, 'Pay Attention'. This is really the only Reason why one is sharing it then. Perhaps it could be of some Prophetic Significance? The Number 723 'Flashed' across a White Pane Background in Black Ink, as if a Painter made a Swoosh with a Brush across the White Canvas. Not sure what it might mean. Is it a Date perhaps? The obvious Correlation would be 7-23 as in July 23rd?

Many Students of the End Times also suggest a Countdown of sorts? It is rather Interesting. There was nothing else that came with the Flashback of the Number 723 and no hint or Info/Intel was given about it or ever since. One is not saying the Rapture will be on that Day, probably not, but there again, what if it is or will be Probable on that very Date of a '723'? But it could be a Significant Day in some form or way for sure.

It could be a particular Spiritual Milestone on the 'Other Side' or a Prelude perhaps that will Manifest on that Day. It will remain to be seen. But for the 'Summer Wheat Harvest Zone'? Realize that one has been contemplated that if and when the Rapture Event is to occur, one is more convinced it would during a Summer July White Wheat Wedding Window of Time. One still has that 1st Week in August to consider of a possible timing. One is excited to see what Jesus will do.

## White Wheat Wedding Time?

One then did share this 'Flashback' with the Revelation 12 Daily Blog, as perhaps some may have more information on it or insight into 'Dreams' and/or Visions. So, this is exciting as one researched the Number in the Jewish Rabbinical Calendar. Then one conjectured what would have correlated to a July 23 (723) Date in any other type of Day Count? As to a Summer Rapture Timing then? One is also convinced that the most Prophetic and Appropriate Typology of the Rapture Event is the Love-Story between Boaz and Ruth.

They are the Prophetic Type of the Rapture. It is of Jesus, the LORD of the Wheat Harvest, and Ruth, the Gentile Destitute needing a Kinsmen Redeemer, etc. And it was at the End of the Wheat Harvest that Boaz claimed Ruth as his Wife and got Married. He is a Prophetic Picture of the Jewish Messiah, Jesus that came to Israel, but was Rejected. Jesus then went to the Ruth's of the World. And it will be at the End of a Wheat Harvest, perhaps on a July 23 Date that Jesus is coming for His 'Ruth'. Sadly, Jesus is not coming for Israel, yet, but for a majority Gentile Bride that 'has made herself ready'.

It is very interesting though as around this time of the Story of Boaz and Ruth, the Watchers who study the End Times do start to pick-up on the prophetic type in how at the Mid-Night, it was when Ruth approached Boaz. It is understood that it occurs on the Full Moon. Then there was Gary or Jeff at Unsealed.org that wrote-up an Article about that, that if and when the Rapture does take place, that it would be at a Full Moon. The following is the Date Converter. Then the portion of the Torah that is read during this Day, 723, from Deuteronomy and Isaiah is very telling.

It is rather interesting that the 7-Haftarah starts on this day that sets-up the countdown to the Feast of Trumpets. It seems to mirror the 7-fold Church Age the 7-Branch Menorah, the Creation Week to **suggest a 'Beginning and an End' to a matter and/or Time**. Could such a countdown suggest when perhaps the AntiChrist could come? This would mimic the timing of how, based on one's Theory of how Jesus was Crucified in the Year 32 AD. And? If the Prophecy Pattern hold, then 1 Day = 1000 Years.

This Prophetic Pattern then can be extrapolated to calculate that from 32 AD + 2000 Years or 2 Days = 2032. Then subtracting the 7 Years, of the start and conclusion of the Tribulation would start with the Fall Feasts. This would then highly suggest that from the Fall 2025 to Fall 2032, the Tribulation Period should occur then. And to precisely calculate that Jesus returns on Yom Teruah on September 11, 2032, if the calculation is True. This precise Day will be the Sabbath of Return.

Well, as mentioned, this 723 'Dream'/Vision did/does seem Interesting and perhaps a Prompting but maybe it is a Dress Rehearsal, a run-through or to suggest the Season or Time is near perhaps? The Summer Wheat Harvest is rich with Prophetic Types of the Rapture Event. It involves a Bride, Working in the Wheat Field, a Harvest, a Resurrection of Naomi, the End of Wilderness Curse, Crossing Over into the Promised Land, etc.

### **It is about a Time Ending**

This Time-Frame of the Year, during the True Pentecost of Acts 2, is precisely the Prophetic Types of the Rapture, in one's Estimation and Interpretation. They have been discussed and its implications for the Season or timing of the Resurrection/Rapture Event. The Summer Wheat is a type of the Rapture, for sure. It is a Picture, literally of the Church Age Ruth's working in the Wheat Fields, in the Field of Boaz. And he took note of her work, and had Compassion on her, etc.

One will have to see what pans-out on the 23rd of July, of every Year. **This is interesting, as yet another connection that lends Credence to how 'When Pentecost Fully Came' was then the Feast of New Wine.** So, one really likes all the Prophetic Correlations as it was mentioned by many Members, also from the Revelation 12 Daily Blog. Eventually, just on the Law of Probability, 1 Day, a proposed Rapture Date will coincide with a Calculate Date.

As it is, concerning 'Dreams' and Visions, there is a lot of Crazyness occurring with Outlandish Assertions and Date Setting concerning the Day of the Rapture. One is not Judging any other's Predictions or Calculations about the Rapture Date. But is it 'Unknowable'? What if this '723' Number is the Key or Clue to the exact Month and Day? What is the difference between such People and one like this Researcher and/or others that seek to study the Rapture Time Sequence?

Or what is the Point in sharing this Private 'Dream' and/or Vision of a Number 723 that 'Flashed' across a Canvas? One is only suggesting a possible 'Season' and is not going beyond Scripture of what is only given. But this 723 or a July 23 Month and Date could be as Pieces of the Prophetic Puzzle as it were regarding the Resurrection/Rapture. One can never say with 100% certainty when the Rapture Date will occur. No one can. Or can one say 723 though?

To Speculate and Calculate on Feasts or Prophetic Types is fine in one's Assessment. But one has Problem when others emphatically declare the Rapture Day without Reservation, nor Remorse of stopping when it fails. That is why one hesitated in even sharing this Dream about the Number 723 that could possibly be tied to the Rapture Timing.

It is the only Time one has ever shared this, and one does feel very uncomfortable in doing so. It is because in doing so, then one has crossed over onto the 'Wild Side'. But maybe sometimes a 'Walk on the Wild Side' is needed? No. So, to give a Disclaimer that one is not suggesting the Rapture date will be on a July 23. But that if this Dream or 'Open Vision' is from the Holy Spirit, then 723 could be or will be tied, exactly to the Rapture Timing.
