

The Tale of Trickmeister

Where do I start? My name is Trickmeister and I was born in Kentucky on May 3, 2007. My owners call me "Tricky" because I am!

My dad, may he RIP, is Proud Citizen. He is a Graded Stakes winning son of Gone West and also came in second in the Kentucky Derby!

My mom's name is Afternoon Trick - I think I was named after her. Her dad is Afternoon Deelites who is a Multiple Graded Stakes winning millionaire!

I started racing when I was 3 years old and ran undefeated until I was 5! Early on, I was considered a TDN Rising Star!

My race career continued until I was 7, earning Multiple Graded Stakes Placed status!

The following year, 2015, I entered the next stage of my life as a stallion. I wasn't looking to be a dad yet and wanted to loaf around for a while.

In 2017, the daughter of Big Brown caught my eye and guess what? My first foal will be born in 2018. I don't know what I was waiting for!

I can't wait until next year because the ladies are already lining up!

Through the years, I have had a few different owners, living at different places. My newest owners just had to have me and said I will have nothing but the best!

Now, I live at Majestic View Farms in New York where I am pampered every day. My owners visit every week, bringing me apples, pears, carrots and candy - Root Beer Barrels are my favorite! The lady worries 'cause she says I can be a little crazy. I think I'm just too much horse to handle!

That is my life in a nutshell. I look forward to many children and hope you will follow us to see where they will go. If there are any single mares out there, I am good looking and available! (And I'm not crazy!)

To be continued through my offspring
