DALE® MEDICAL (DA)

Dale® Abdominal Binders

LATEX FREE

Features the new EasyGrip® Strip that can hold up to four 100-cc drainage bulbs in place. This allows for easier monitoring of drainage bulb contents and drainage bulbs to be emptied or removed quickly without removing pins or tape. It also allows for easier ambulation when drainage bulbs are in place. Unlike other binders, which can restrict movement, Dale® Abdominal Binders promote mobility and reduce the chance of sedentary complications. Reimbursement Codes: Dressing Holder (A4463) or Back Support (L0625)

BACK-A-LINE (IE)

Back-A-Line Dynamic Back Support with BIOflex® Therapeutic Magnets

NEW

Documented with peer-reviewed studies, the Back-A-Line® support, with a patented curved, firm lumbar pad, corrects spinal mechanics, the #1 contributor to back pain. Posture will improve, and, working at the behavioral (subconscious) level, it will create new muscle memory to keep in proper posture when not wearing it. Now paired with BIOflex® magnets, the #1 therapeutic magnet designed specifically for human use, this version forms the perfect partnership for anyone suffering chronic or severe back pain, by eliminating the cause, poor posture, and minimizing the effect. Only BIOflex's® patented concentric circle magnets with alternating polarities, and a unique configuration of and constant and gradient fields, delivers the appropriate Gauss strength and orientation with the affected blood vessels to the tissues at any angle, depth or orientation.

Baby Your Back®

NEW

Baby Your Back® provides a unique and comfortable way to alleviate back pains or injury associated with carrying a baby. Corrects spinal posture, eliminating the main cause of maternity back pain, and by carrying much of the belly weight, will lead to better balance and fewer stretch marks. Patented curved, firm lumbar pad presses against the spine, coercing tissues to reorient their positioning. This maintains a safe range of motion at the subconscious level. Lightweight and uses with a washable, natural cotton fabric to help reduce perspiration. Can be worn inside or outside of clothing. Measurement should follow the diagonal angle in the picture.
