## **Riley & Patriot- Available for Adoption**

Riley is a healthy 15yr old QH. Very sweet, trail rides will lead or is happy following. He's pretty much bombproof and an easy keeper. He has a bit of navicular which is manageable with supplements.

Patriot is a healthy 15yr old thoroughbred who will trail ride, also an easy keeper. He's a follower but there are times when he likes to lead. Needs a stronger rider. He also is a sweet boy.
