DESCRIPTION: The Ben Pearson Cougar was a budget conscious all-purpose bow that performed like a higher-end model. This old Cougar is a great looking and performing recurve. Walnut and White Holly Riser. Comfortable grip. After market tip overlay. Bow has no delamination; no cracks; limbs are straight. Tips are in great condition. No drilled holes; No chips, dings or cracks. Slight "yellowing" of the old limb varnish. There was one stress line on the back of the bow above the sight window fade-out. It was filled with Loctite and touched up with a light yellow ink that doesn't quite match the rest of the limb. No crazing. A few minor scratches, lines, and nicks here and there. Decal is in near mint condition. Overall, this is a really nice bow in excellent condition for its age.
