

Interbos

**OVER 10 YEARS OF SAFETY
AND NATURAL NUTRITION!**

OUR STORY

**INTERBOS – NUTRITIOUS AND HEALTHY PRODUCTS FOR
A BRIGHT FUTURE!**

Since its foundation, INTERBOS has set itself on a mission to provide pure and natural dairy products to millions of children around the world, with love and responsibility to the development of our younger generations.

Being aware of the importance of high nutrition, nature, and food safety, INTERBOS has carefully selected the most qualified sources of imported natural raw materials from leading countries with premium food technology, such as Australia, New Zealand and the USA.

By owning one of the most modern production lines in the world with ultra aseptic technology, INTERBOS has been able to deliver a wide range of safe and high-quality nutritious products to all consumers.

**Establishing our credentials
in the global market by
living up to international
Standards!**
