| Andrea Behmer, VP Fundraising | Amanda Rand, Dean of Students |
| Starr Crist, Treasurer | Jennifer Waldron, Assistant Principal |
| | Lindsay Slover, Principal |
| | |

Welcome

President Wetzler welcomed everyone to the meeting.

Chief Security Officer Mr. Dorer:

Mrs. Waldron introduced Mr. Dorer, Chief Security Officer for SUSD. Mr. Dorer was brought in to address traffic concerns for drop off in the morning and pick up in the afternoon. He did not see a safety concern but rather an inefficiency with much stop and go traffic. He and his team are creating a video to show parents how to correct this issue. The video should be coming out by Friday of this week or early next week. After the video is viewed by all we can plan the roll out of the changes being made to drop off. As for pick up, if parents are parking for student pick up in the afternoon, they should enter from Windgate Pass and go through to park.

On another note, Mr. Dorer stressed the importance of checking in in the office before entering school and being sure you are wearing your sticker or some sort of volunteer badge.

Principal Update:

Mrs. Slover was happy to announce that our Water Bottle Refill Stations have been delivered to our school. We are waiting for the plumbing department to come and install them. Hopefully they will be up and running in the next few weeks.

September 30th is "Love Our Schools" Day. Volunteers will be coming that day to put a rock border around areas with gravel to keep the gravel in and help keep our campus clean.

There has been a positive reaction to switching to quarters. It lines up well with our school calendar. It allows for parents to be informed on how their children are performing more often. Parents will also be receiving progress reports mid-quarter. It gives the opportunity for Middle School to change electives at semester. The dates for the quarters will be going up on the website soon.

Mrs. Slover was excited to announce that she will be holding Awards Assemblies. Once a quarter, children will have the opportunity to be recognized in the areas of growth, achievement, and fantastic character. There will be surprise awards as well that the child is not aware of, but parents will be called and notified if their child is receiving a surprise award.

Volunteer Update:

In Kay Rodgers absence, Carly Parkhill notified us that Mrs. Rodgers will be sending an email out to the room moms the first week of each month informing them of events and "to-do's" for the month. It will include templates to be used in order to keep information sharing uniform from classroom to classroom.

We are still looking for people to join the Middle School Team. The next meeting is TBA. If you are interested please contact Kay Rodgers.

Educational Support Fund Update

Jenny Shorr asked that we continue to spread the word about the ESF fund and how important it is to our students, teachers, and school. Without the ESF fund our students and teachers would go without aides, Accelerated Reader, laptops, security cameras, and much more. For the month of September, if we raise \$10,000 our school gets a no uniform day. Thank you to those who have already donated. Please consider donating if you have not done so yet.

Vig Gives Back

Andrea Behmer spoke about our fundraiser for the entire month of September The Vig Gives Back. The Vig is giving back 15% of the total check for the whole month. **You must write Copper Ridge on your bill**, as this is a contest with other schools to see who raises the most money. The school that makes the most will receive an additional \$500.00. To date, Copper Ridge has raised \$210. Please support our school and visit The Vig this month.

Book Fair Update

Christine Deaton, Robyn Wallace, and Stephanie Halvorson gave an update on the Book Fair which is September 22, 25, 26, and 27th. We are still in need of volunteers for this event. Please sign up to help on the Sign Up Genius that was sent out or email volunteer@crpto.com. On Friday, every student will receive an envelope with the order form and the day and time that their class will be visiting Book Fair. It was mentioned that for Donuts For Dads, any adult can attend if Dad is unable to be there.

Carnival Update

The Fall Carnival is Friday, October 20th. We have almost reached our goal for sponsorship but are always welcoming more. There will be new food trucks this year. Each class has been assigned their ride to monitor. Be on the look-out for the Sign Up Genius to volunteer to monitor the rides.

CRS Chat and Chew

Aimee Nordini stated that the Chat and Chew is October 3rd at 9:00 am in Room 608. Topics to be discussed are Accelerated Reader and Fall carnival. Mrs. Slover will also attend and help answer any questions.

Trailblazing the Way to Hurricane Relief

Mrs. Kadavy, the 8th Grade ELA teacher spoke about the projects her classes have developed to support victims of Hurricane Harvey and Hurricane Irma. The students have worked hard to develop plans to raise funds and engage other students in these projects. The projects are Penny Wars and Spirit Days. Please support our students in their efforts to offer aide to those in need. This is for Middle School only, however Spirit Days may possibly be school wide. More info to follow.
