

April 3, 2020 – 10AM update

Dear Super 60 Coaches & GMs

We are all praying for everyone to stay safe during these very trying times! As of our April 2nd update from the City of New Orleans & State of Louisiana EMS & HHS leaders, we are on lockdown until April 30th here in the city & state. Speaking with folks we know who work in both city & state government, it is their belief that a revised order will be issued around April 24th or so about an extension until mid-May. As such, we will make a FIRM decision on or about April 24th or 25th if that is in fact the case and we will move the Super 60 to a June weekend. Of course, nobody can know for sure how the Covid-19 event will evolve but our hope is that the current plans will help contain the spread & help us return to some type of safety & normalcy. We will update our website as we get more info as well as send an email to all of our 200+ registered teams, but as of today (April 3rd) our plans are still hold our event but very probably at a later date in June. Thanks so much & please stay safe - Super 60 Staff
