

Mole in the Ground

1
I wished I was a mole in the ground
1 5

I wished I was a mole in the ground
1

If I was a mole in the ground
4 1

I would root that mountain down
1 5 1

I wished I was a mole in the ground

I wished I was a lizard in that tree

I wished I was a lizard in the tree

If I was a lizard in the tree

I would have you there with me

I wished I was a lizard in that tree

I wished I was a turtle in that pond

I wished I was a turtle in the pond

Well if I was a turtle in that pond

I would stay there all day long

I wished I was a turtle in the pond

I wished I was a mole in the ground

I wished I was a mole in the ground

If I was a mole in the ground

I would root that mountain down

I wished I was a mole in the ground
