## From the Editor

It looks like the heat of summer has turned into fall and it is time to line up and ride in the fair parade. We look forward to seeing familiar faces and maybe even meet a few new ones.

I'll do what I can to keep Heidi from hitting kids when she throws candy out, although a few of them might deserve it.

We're also looking forward to the trip to Hilton Head Island. I think it is good that we get to add a little bit of class to big shows like that from time to time.

**CORVAIR FAMILY LOSS**

Our good friend Raymond Paul has lost his Special Lady Friend. Allison passed away on September 15 after a long illness. She was a special lady that brought back the light in Raymond's life. She was new to the Corvair Family but told me she felt very welcomed by us. She was a nice lady and we will all miss her.

Please say a prayer for Allison and one for Raymond and keep them in your hearts as we support Raymond in his time of need. If you can, send him a card of Support:

**AL BIRKS UPDATE**

Al Birks is doing much better and looked good but it has been touch and go for a while. Al has been very sick since late June – early July. Doctors have determined that his bone marrow is not producing enough red blood cells. He does NOT have any cancer but they are giving him Procrit which is supposed to boost the red blood cell production.

Please say a prayer!
