

# February News Letter

February 1, 2018

Hello Families of AMCS Daycare!

We have lots of news for February!

First, we want to introduce you to our little friends; Coconut and Peanut Butter. These sisters are 14 Months old and were donated to us by the Corsi family. By bringing in a class pet; we hope to teach our children the responsibilities that come with having a pet...cleaning, feeding, loving, empathy, and caring. Each child will get a week to take care of the pet. Our new classroom pet, will stay here 24/7 as we have night staff who can check on them. Pet Food donations are always accepted – our sisters love Hay and Guinea Food as well as food scraps.

Over the next few weeks you are going to notice some new faces in our classroom. We have a few new students joining, as well as some more support workers. Please feel free to introduce yourself and welcome them our loving centre!

**We are having Anti Bullying Day on February 28 – please dress your child in a Pink Shirt for the day.**
