

December 2020

Dear MAS Parents & Guardians:

On behalf of the staff and Board of McIntosh Area School, I would like to take this opportunity to wish you and your family a very peaceful and blessed holiday season. I also want to remind you that the 20-21 MCPS Parent Survey is still available on our MAS website, and I would greatly appreciate it if you would take a moment to complete the survey (if you haven't already done so). For your convenience, I have attached the survey to this letter. Please return it prior to January 18.

Also, upon our return to school on January 4<sup>th</sup>, 2021, MAS will be implementing several new programs for you and your children to take part in.

The first new program will be an afterschool tutoring program that will be offered to any student who needs additional teacher support. This program will be provided from 2:30 –3:30 pm one day a week and will be available to students based on their academic needs.

In addition to our afterschool tutoring program, we will also be creating several different afterschool clubs and activities for your children to participate in based on your input from the surveys you recently submitted to us. We will be sending home more detailed information regarding both these programs after we return from the holiday break. Please don't hesitate to contact me should you have any questions or concerns. Once again, the MAS Staff, Board and I would like to wish you and your family a very happy, healthy, and safe holiday.

Best Wishes,

David P. Friedlander

Principal
