## Extreme Weather

We are looking for volunteers who are able to volunteer in the daytime hours during extreme weather events. This could be cold, rain or heat. If you are available during the day to keep the shelter open please email Staci at [hessedhousevolunteers@gmail.com](mailto:hessedhousevolunteers@gmail.com)

## Breakfast

If you are looking for a new way to volunteer, why not serve breakfast on the weekends? We are in need of early risers who want to come in on Saturday & Sunday mornings to cook and serve breakfast to the residents. If you are interested, please email Staci at [hessedhousevolunteers@gmail.com](mailto:hessedhousevolunteers@gmail.com)

### Activity Nights

We need activity night volunteers! This would be a fun way to get kids and youth involved in serving others! We are looking for people to play board games, bingo, and more!

## “Bins for Beds”

The Hesed House of Hope Board Members and staff are constantly looking for ways to improve the shelter. Our Board Chair recently asked for feedback from all of you! Thank you for taking the time to give feedback. We value your opinion and are working on some improvements across the board. One improvement we need to make is with storage. The residents currently have two drawers for their belongings, but often this isn't enough space! They have coats, shoes and personal items. We want a way for them to organize their things without having to put the excess on the floor. So

we need your help! We are launching a “Bins for Beds” fundraiser. We are looking to collect \$10 for each bed in the shelter. There are a total of 30 beds/cots. This will provide a large and small bin for each resident to store their things. Each set of bins will be assigned to a bed and used by the resident in that bed. Please consider supporting this fundraiser by dropping off a \$10 donation in an envelope labeled “Bins for Beds” Please include your family or group name as we would like to recognize you for your donation.
