MEMORANDUM FOR: Patrol Agents in Charge
Buffalo Sector

FROM: Daniel R. Hiebert 
Acting Chief Patrol Agent
Buffalo Sector

SUBJECT: Implementation of the Buffalo Sector Significant Detail Management
Plan

Attached for immediate dissemination and implementation is the Buffalo Sector significant detail management plan, which will facilitate the selection process for significant details. While it specifically addresses details lasting thirty (30) days or more, the spirit of this document can be applied to selections made for details not falling under its purview. This plan is effective immediately and applies to all Border Patrol agents within sector. Officials from the National Border Patrol Council, Local 2724 had an opportunity to review it and concurred with the content.

In accordance with this plan, Patrol Agents in Charge will prepare a significant detail list, which dates back to January 1, 2010, for their respective stations. The station detail list will be posted for employee viewing and updated accordingly. For archiving purposes, please forward copies of your initial and subsequently updated detail rosters to Buffalo Sector Headquarters, care of Jennifer Mac Neil.

If you have questions, don't hesitate to contact ACPA Stuart C. Woodside at (716) 774-7206.
