. . . AND IN THE BEGINNING . . .

November 4, 1975

Thirteen music educators meet in the home of Morna-June Morrow.
Eight members are elected to the first Executive of the newly formed Manitoba Orff Chapter.
MOC is born!

For those of you who are relative newcomers to the Orff scene, or those longtime members who love to reminisce, a flashback to the development of this thriving chapter of *MUSIC FOR CHILDREN - CARL ORFF CANADA - MUSIQUE POUR ENFANTS* follows.

The 16 original members of 1975 grew to 185 members in 2015 reflecting tremendous growth in membership due to several factors:

- The MOC has provided reading sessions, workshops, scholarships, Children's Day opportunities, and mini-courses during its forty years.
- The MOC has hosted four national conferences of *MUSIC FOR CHILDREN – CARL ORFF CANADA - MUSIQUE POUR ENFANTS* in 1976, 1986, 1998, and 2010.
- The MOC has been affiliated with the *MANITOBA MUSIC EDUCATORS' ASSOCIATION* for many years, and together offer a Special Area Group of Educators (SAGE) "Tempo" Conference in the fall.
- There are several School Divisions within the province who will hire only elementary music specialists who have some Orff Levels training
- The MOC continues to have close relationships with school divisions and their music teachers through the *Building Bridges Workshop* series.
- The University of Manitoba, School of Music, under the direction of Professor Ursula Rempel, developed a well-established three-level Summer School Course leading to Orff Teacher Certification. In 1995, Professor Paul Paterson took over the position as Coordinator of the Summer Orff Levels courses. From 1996-1998, Ruth Wiwchar coordinated the program. Joan Linklater began coordinating the program in 2000.
- Applications for the *Helen Neufeld Memorial Scholarship* are available for members wishing to enroll in the University of Manitoba Summer Orff Courses.
- The newly founded *Workshop Travel Bursary* is available for rural members and applicants.
- The MOC has an extensive Resources Lending Library available to all MOC members.

- There is growing public awareness of the value of the Orff-Schulwerk through:
 - MOC's sponsoring of "Children's Day" in English (Winnipeg and Brandon) et en français, "Journée pour Enfants" (Winnipeg).
 - Music education programs (including concepts of the Orff-Schulwerk), incorporated in the Department of Education Music Curriculum. The appearance of Orff-Schulwerk classes in various music festivals across the province.
 - The Manitoba Conservatory of Music and Arts has offered "Music For Children" courses with several MOC members teaching over the years: Peggy Emmond, Anne Gudmundson, Joan Linklater, Sister Dolores Schneider, Dianne Sjoberg, Ruth Wiwchar and others.
 - The annual event *Play!* that stands as a platform for Orff education awareness and advocacy with childrens' group performances in a public area.
 - **YOU**, the members of the Manitoba Orff Chapter are exposing thousands of children in your daily teaching to the joys of the Orff-Schulwerk.

OTHER MOC HIGHLIGHTS

1981 - Joan Linklater, Morna-June Morrow and Ruth Wiwchar wrote the Manitoba Orff Chapter Constitution.

January 1982 Raffle sponsored by the MOC to raise \$750.00 for Arthur A. Leach Orff Ensemble's performance at the 1982 Edmonton National Conference.

From February to May 1986, four sessions with local clinicians teaching pieces by all 12 conference clinicians were run in order to prepare for the first-ever Chapter sharing session at the Ninth National Conference held in Winnipeg.

The MOC banner was designed and executed by Morna-June Morrow, Helen Neufeld and Joan Linklater and first appeared at the 1986 National Conference. It has appeared at all National Canadian Conferences since then, and was seen at the American Orff-Schulwerk Association National Conference in Minneapolis.

Chapter letterhead stationery was designed - MOC pens were distributed to those members attending MOC workshops.

Fund Raising Events: MOC sweat shirts, t-shirts, Carl Orff Canada pins, music bags, 1998 Conference "Opening Ceremonies" video tape.

Establishment of the Manitoba Orff Chapter Lending Library for Manitoba Orff Chapter members. Originally stocked with materials from the estate of the late Helen Neufeld, more items were added by Doreen Hall, Founder and Patron of *Carl Orff Canada*, and a great many more items were added by Morna-June Morrow upon her retirement. Others items have been added by individual Orff Chapter members. The Library facilitator since its inception in 1994 has been Morna-June Morrow.

Established the *Morna - June Morrow Award for Excellence in Music Education in Manitoba* in 1998.

In 2000, we created the position of Advocacy in response to a concern from membership regarding changes to music programming in schools, and the need for a new Manitoba Department of Education Music Curriculum. Through the Advocacy position, MOC Executive facilitated awareness of the Orff philosophy through various initiatives and associations with music and arts associations, and responded to individual member's needs for support for music programming.

Establishment of the Manitoba Orff Chapter web site in 2003 with Anne Jenkins as webmaster.

In 2005, "Children's Day" expanded to rural Manitoba by adding a second location in Brandon.

In 2006, "Children's Day" expanded to the Francophone/French Immersion community by adding a third day of sessions.

In 2006 we established the MOC on-line Message Board for advocacy.

In 2008 MOC went "green". All information from MOC now being sent by email including the newsletter, *Manitoba Modes*.

In 2009 we established "e-news" that is sent out to all Manitoba Orff Chapter members shortly after each executive meeting.

OTHER MOC HIGHLIGHTS continued...

In 2009 the MOC Mission Statement and Constitution were revised.

In 2012 the MOC executive changed a few job descriptions titles and expectations to reflect current practice.

In 2012 as an outreach project, MOC began offering the Building Bridges Workshops to reach other music teachers and prospective teachers (Thompson, Brandon, Hanover, Wpg. School Division)

In 2013 the MOC began offering the MOC Workshop Travel Bursary in order to support rural teachers to attend professional development opportunities.
