The mission of ElderCare of Alachua County is to be an advocate for the elderly and provide services that build capacity, maximize independence, and enrich the quality of life for seniors in Alachua County.

Dear Friends,

ElderCare of Alachua County would like to personally invite you to participate as a sponsor for the 12th Annual ElderCare of Alachua County Golf Tournament benefitting both the Meals on Wheels and Alz Place programs. This year's tournament will again take place at Haile Plantation Golf and Country Club and will be on November 22nd, 2019.

Now established as one of Gainesville's most popular golf tournaments, our sponsors have a great time entertaining the golfers on the course, all while raising awareness about the number of seniors that would go hungry without ElderCare, as well as the increasing needs of those diagnosed with Alzheimer's Disease.

All net proceeds raised that day will benefit both seniors in need of a hot meal delivered to their home as well as those that are in need of day care once they have been diagnosed with some form of dementia. Both of these programs are critical as the number of seniors affected increases each day. Our wait list today is well over 1,500 seniors. We estimate that there are 6,000 seniors at risk for going hungry!

Please take a minute and review this packet. Please consider being a sponsor for this event and fill out the attached form or contact Isaiah Brinza, coordinator, at 352-265-9290.

Thank you in advance for your continued support.

Sincerely,

Anthony Clarizio
Executive Director
