President's Message

One more tournament until we begin a new club year! I think it's a year that will never be forgotten, although we'd all like to. The course has done a great job of accommodating our tournaments and making it safe to play golf. Thanks to all our members for their patience while checking in during tournaments. I know it's not quite as easy, but understand it's necessary!

Finally finished the President's Cup playoffs. Congratulations to Joe Dyer for his victory in 19 holes over Danny Ortiz!

Please be sure and sign up early for the Club Championship. Once again this year, we will be offering a great tee package that includes either a hat, shirt or towel, tacos on both days and a great raffle drawing at the conclusion of the second day. More than ever, our members make our club what it is, and this year is no different! We have many new members and many members that have rejoined after being absent for a few years.

We will have our annual board elections at the next tournament, so please let us know if you want to help out. We can always use more people on the board. Just let a board member know that you are interested!

I am sorry we had to cancel the Derby this month, but with the hot weather, it would have made it difficult to get enough people to play. Next month we'll be able to have one last Derby before the time change! Be sure and join us for some fun!

El Prado Men's Club is always looking for any suggestions to make things better for our members. Let us know if you have any! You can send to info@elpradomensclub.com

Look forward to seeing you all at the Club Championship!!

Thanks,
Doug Benc, President.

2 Man 4 Club Red Tees - Better Ball

We had a total of 88 players, two man teams in four flights, on both courses. A flight and B flight were on Chino Creek. C flight and D flight were on Butterfield Stage. The change to World Handicap System allowed us to use red tee handicaps. Under WHS, each course has it's own rating which is part of the handicap calculation. Our red tees were 5 strokes (CC) and 5.6 strokes (BS) impact to your handicap. This left many in the A flight with plus handicaps. Everyone did a real good job following these changes and the scorecards were very well done considering this big change. Winners included the teams of Brian Dancses/Mike Cole in the A Flight with a score of 64. The B Flight team with a score of 65 was Pete Waasdorp/Mike Younger. C flight top team at 61, Larry Young/Troy Young, Lastly, D Flight team with a score of 62 was Jim Moir/ John Kramer.

Thanks to Kevin for his support on the scoreboard and help with the results. When you talk with him please let him know how much we appreciate the help and support he gives to the El Prado Mens Club.

The **Club Championship** is our next tournament to be held on two successive Saturdays. The first date is Saturday September 12h and followed the next week on Saturday September 19th. Our tournament year has been leading up to this major one and, if you win, you carry the title and bragging rights for the entire year. Plus the low gross winner is entitled to go to the SCGA Tournament of Champions representing El Prado Mens Club with entry fee complements of the club. The low net flight champion will also be eligible for entry but will have to pay their own entry fees. Our 2019 Club Champion was Brian Dancses who shot a two day gross score total 67/72 139, and our next two low net flight winners were Dave Oshiro and Jim Walsh. All of our last year's winners will be looking to defend their title.

Eligibility: 2 Tournaments or 6 Skins games or a combination of both (3 skins = 1 tournament)

Reminders: The Club Championship is a two successive Saturday day event. A and B flights

will start on Butterfield Stage and end on Chino Creek. **I will only consider pairing requests on the first day.** The second Saturday pairings are set by your first day finishing positions.

Flight Champions tees: A Flt – Blue tees, B Flt – Blue/White tees, C & D Flt White tees.

I am only taking signups to my email address so I can track your entry. First day "requests" are based on first come first serve basis so please sign up early through e-mail to dcox181@hotmail.com by Friday September 4th or earlier.

Summer Golf League

For the members playing on Wednesday nights, please remember that you are required to **post your score** as a 9-hole home round.

Saturday Skins Games

We have been having some great turnouts for the Saturday skins games with upwards of 60 players. This equates to very large pots with over \$1,000 in the skins pots in addition to the low net and closest to the pins payouts. Best of all, rounds are taking under 4 hours! Following are some suggestions that will help me in putting the game together and figuring out the payouts.

1. Make sure to sign up or cancel by 3 p.m. Mondays. Skins pairings are sent out for posting on our website on Tuesdays. Telling me at the Tuesday skins game that you are in or out, or cancelling later in the week becomes problematic, sometimes leaving twosomes which is unfair to the course or the people with whom you were paired.
2. Make sure everyone's name makes it to the score sheets, even if they made no birdies or didn't finish the round, as I need an accurate count of players in each flight. If there are missing names I have to go back through the cards to make sure there are no missing skins and the pot is right for each flight.
3. The closest markers have little room but it is important that you write the numbers legibly in feet and inches, even if you have to use a second line. If you write 31", or I can't read your writing, you will not be paid.
4. Put your scorecards in the box on the table. If you are in an earlier group and the box is not out, ask for it at the starter's window and make sure it gets on the table.
5. Someone has been circling all the birdies on the score sheet. We have a picture of him and if you catch him, please make him stop. Since we use circles on the scoresheets to indicate skins, if all the birdies are circled I have a hard time distinguishing which ones held and which ones are cut. He must be stopped!

Thanks,

John Kramer, Skinsguy

Rules Corner

Many rules questions that come up on the course can be answered with your smartphone.

Hopefully by now everyone has the USGA Rules app. This is the quickest way to get up to date rules information from the USGA.

You should also know that the club publishes our local rules on the web site. So the next time you need a ruling about a local rule, go to the web site, select the Rules page, and you'll find everything from our local ground rules to the derby rules.

And as always, you can call the golf shop, or in most cases play two balls and get a ruling before you turn in your scorecard.

President's Cup

Congratulations to Joe Dyer, who defeated Danny Ortiz in the final match to secure the 2020 President's Cup.

Even with the COVID-19 interruption, we were able to complete our own March madness, so thanks to all the players for their cooperation and flexibility in scheduling matches.

Payouts for the top 8 finishers have been added to your scrip in the golf shop.
