Cale was born October 18, 1984, in Clinton, IA a blonde haired blue-eyed blessing to his

parents, Timothy & Lisa (Schurr) Dalton. It could be said that Cale wasn't given a fair shot at life, but by the way he lived he did not show it. Cale loved the sound of train whistles, the smell of Old Spice, the taste of Big Macs and tacos. In the accomplishments of a man, he did not have a degree or hold a job, but he had a big heart. With his crooked smile and twinkling eyes, Cale brought joy to everyone he met. Many will proclaim that they are better people for having known him. Cale loved country music, game shows, drawing, cartoons, trains, fast food, Jesus and people.

Cale will be forever loved by his parents, Tim & Lisa Dalton of Sartell; sisters, Rendi (James) Christensen of Sartell and Mara (Andy) Eute-neuer of Sartell; nieces, Claire and Chloe of Sartell; maternal grandparents, William & Shirley Boone of Geneseo, Ill.; aunts and uncles, Lane (Paula) Schurr of Foreston, Ill., Tammy (John) Richardson of Clinton, Iowa, Bridget (Mike) Diss of Clinton, Iowa; special puppy, Peggy Sue; sweet Auntie, Tracy Curran; as well as many other relatives and friends.

Cale was preceded in death by his paternal grandmother, Sylvia Miller.

Cale's life was touched by too many caregivers to thank individually - Thank you for loving him!
