### **~COMMANDER~**

It has been a tough winter and I am sure that we will experience more snow and freezing rain before spring arrives. Our parking lot has received some damage from the sub-zero cold and we are seeking estimates to make the repairs. As soon as the weather breaks we will have these repairs made. We are also taking action to improve the drainage problems that we have had with our roof to prevent leaks caused by the extreme cold. The old carpet in the dining room has been replaced thanks to financial assistance from the Men's Association, the Y-Men and funds saved by the Post for this improvement. Additionally, the old floor tile in the kitchen has been removed and should be replaced by the time you read this. We are currently focused on upgrading our kitchen. Our kitchen manager, (Artie) has been doing a wonderful job for us and we need to support her efforts to make positive changes in our kitchen. It is also important to note, that Post officers are constantly performing repairs that improve our facility. I would like to recognize trustee Don Schoen and John Bentley for all the hard work and long hours that they have donated in the last few months that have saved the Post thousands of dollars in labor costs. Future repairs and improvement projects are being reviewed and prioritized. These projects will be accomplished as funds become available.

**Nominations for Post Officers** are coming up in March and April; with the election of officers being held in May. If you are a regular member and interested in serving as an officer of the Post or want to support a nomination, please come to our monthly meetings and participate in the election process. The monthly meeting is always the third Thursday of the month at 6:30 p.m. The leadership of our Post must come from our local members. Don't sit on the sidelines, when you can make a difference.

I am proud to say that VFW Post 7201 is financially sound, forward looking and is being well served by officers that care about the Post and the veterans of this community. We are grateful to have all the service organizations affiliated with this Post pulling together, helping to ensure our success. The Post has been able to support the veterans of this community because the veterans of this community and the Post members are supporting the Post. Thank you all for your participation.
