The Word of God Alive:

Discussing the Readings w/your children

Here at our parish, we are transitioning away from Children's Liturgy of the Word during the Mass, and instead, we would like to encourage parents to discuss the weekly readings or homily with their children either before or after Mass occurs. This spiritual conversation, even if it is simple or a bit scattered, can be very powerful, and it is a way for God's word to come alive in our hearts. We will provide questions and discussion points to help parents start this conversation with their children, and please consider doing this with your family each week!

Today is the 14th Sunday in Ordinary Time

The mission we as the Church have today is like the 72 disciples, we must "announce" the Kingdom of God.

How do we tell others about the loving actions of God?

Jesus sent the 72 disciples without money, backpack or sandals. Stay with the first person who welcomes them. If they don't welcome you, leave and go somewhere else.

Living our faith: this week, do your part of the mission and tell others about the loving and forgiving words and actions of Christ by your actions.

Let all the earth cry out to God with joy.
