IT'S THAT TIME OF YEAR AGAIN!

It is getting tougher and tougher to compete with these big mainland stores. The one in this ad has about 9000 stores. Boy did we get a deal on Alka-Seltzer Plus with buy one get one at half price. That's \$21.99 for 48 caplets (46 cents each). I guess they have them made in Spain to keep the cost down.

Our brand of choice is Kirkland. They have managed to duplicate the five active ingredients in the Alka-Seltzer brand with only one exception that I can find - Kirkland's are made In the USA!!! Our price for a 168 caplets size box is \$13.99. That's only 9 CENTS each from your little Costco supplier in Crow Valley.

Every house guest brings you happiness. Some when they arrive, and some when they are leaving
