ADVISORY ON PAYSMART INVESTMENT SCHEME

Please be advised that according to the Enforcement and Investor Protection Department of the Securities and Exchange Commission (SEC) of the Philippines, **Paysmart Limited Philippines (PAYSMART)** is **not registered** as a corporation or partnership and is **not authorized** to solicit investments from the public since the company did not secure prior registration and/or license to solicit investments from the SEC as prescribed under Section 8 of the Securities Regulation Code.

The SEC further informs the public of the following *modus operandi* that “**PAYSMART** is offering a 30% Return on Investment (ROI) in just 15 days or 60% ROI in 60 days. The minimum investment is US\$23 and the maximum is US\$9,000.”

Filipinos in Canada are requested to inform their fellow *kababayans* of this advisory and to request them to exercise caution in view of the proliferation of investment scams.
