

Just a reminder to everyone to vote for your District committee. We have had five folks express interest in being on the committee plus Michael Robinson of Murray showing willingness to be chair. The head coach for each squad should cast the vote for your school through the Points Application (you received an email from national office explaining how to do so). One vote per school will count.

As a reminder, those folks who have expressed interest in serving (besides Michael) are

Ryan Brown (Rowan County)
Katy Cecil (LaRue County)
Steve Meadows (Danville)
Rachel Page (Ryle)
Ryan Ray (Henry Clay)

Please let me know if you need help with the voting or have any other questions. I remain as Chair until September and am your go-to guy until then. Good luck to all in the elections, and I wish everyone else who's also half-awake today (after a spring break of sleeping in) stamina today!

Steve
