¹ Cannabis-related project applications are initially processed by TAAG's Cannabis Project Review Committee (CPRC)

² The name of the project's applicant. "PD" = Planning Department. ³ "PDM" = Planning Department Manager. ³ This date is usually, but not always, the date shown on the Planning Department's referral form to TAAG.

³ Largely taken from Planning Department's description. CUP = conditional use permit ⁴ "PRC" refers to TAAG's Project Review Committee. There is usually a PRC chair's report (which is not minutes) issued after the PRC meeting to consider a project, reporting the action of the PRC on applications considered.

⁴ Any TAAG meeting date to consider a project provided here must be confirmed by the TAAG meeting's agenda, which controls the meeting date. ⁸ Numbering in this table is for reference and convenience only. Order listing does not guarantee a meeting date; meeting dates provided are expected and planned, but also aspirational. Rank order may change in updates based on new information, including informational holds placed by County Planning Department.

If you have any comments or questions regarding any of these projects, please email Joe Jarboe, Chairman of PRC at jjarboe@charter.net
