"Make me to know thy ways, O Lord; teach me thy paths."

Isaiah 43:1

Director's Note

All around the promise of Spring surrounds us with longer days, warmer weather starting, bulbs starting to sprout in our front entrance of our school and the trees are starting to bud in our RCS backyard. We welcome this change and enjoy God's world all around us as we continue to have many activities planned which keep us busy.

We thank our parents for the nice response to our requests for recyclables, cash registers, and shopping carts loaned for "Supermarket Shopping". This is always a nice way to encourage imagination and role playing with the children as they "shopped".

We had a fun night with our dads and we thank them for coming to our "Special Night With Dad". It's always fun to see the excitement on the faces of our little ones as they share experiences with their dads (or special someone)! We hope they all enjoyed the classroom play activities, the handprint craft and the ice cream sundaes.

Thank you so much room parents for coordinating our classroom Valentine parties and for helping make "Clifford" come to life during our "Read Across America" book exchanges.

To emphasize love and caring each class at RCS made Valentine cards to send to senior members of Redeemer Lutheran Church. Our recipients are always so thankful and it is our pleasure to send them some love!

Last month we also enjoyed visits from Miss April, a dental hygienist from Randolph Pediatric Dental Associates who taught the children proper dental care. We also enjoyed the Falloons Recycling Show presented by the Mount Olive Public Works. The actors were so talented and taught the children about recycling in an entertaining way with song and dance!

This month we will enjoy visits from Master Lim from his Tae Kwon Do Academy in Ledgewood. Master Lim is great with our little ones as he and some of his students and staff show us a taste of what his positive training is about.

We also look forward to "Mr. Jim" from Christopher James Photography as he captures the smiles of our RCS students. He is great with them and SO patient!

Enjoy the beginning of Spring. It's fun to see our children growing in so many ways.

God Bless you all,

Cindy Stevens & the RCS Staff

Our March activities are:

* Read Across America/Book Exchange - February 27th, February 28th & March 1st

Parents are asked to send in two age appropriate "gently used" books to be shared in a book exchange. Please place books in a bag and label for book exchange.

Children are encouraged to wear pajamas if they want to feel comfortable. Our special big red visitor will help us share in the love of reading. Any extra books left over will be added to our "RCS Little Free Library" in our doorway which was started by our alumnus Nolan Montalbano. Feel free to come inside with your child to choose a book to read or you may want to add one to our collection to share with the other children.
