GREETINGS,

The national meet in Davenport, Iowa is history now. It's amazing how large this meet has grown in the last few years. This year there were 91 registered vendors. You could easily spend most of the day searching through the "tons" of parts brought to the meet. There was a good turnout of antique motorcycles also. I don't envy the judge's job. There were many very nice restorations. The weather was perfect and if you weren't there you missed a very nice meet.

A reminder to our members. The dues to the National Club run from January 1 to December 31 regardless of the time of year you joined. You must be a member of the National Club to be a member of this Chapter. As a convenience to our members the Chapter will be sending the dues and applications to the National if they are received before January 15. This will save you from having to send a SASE to the National and from making two checks for dues. The dues for the National are \$15.00 per year and the dues for the Local Chapter are \$5.00 a year making a total of \$20.00. We have had several members join in October. Their dues will be applied to their 1983 Chapter membership, so they need to only send \$15.00 for their National membership for 1983. Membership cards will be sent out just as soon as they are received from the National.

Enclosed in this issue is a flyer advertising the Cherokee Chapter's meet in Marshall, Texas at the end of this month. Several of our members are planning to attend. We hope everyone will support our meets in the South. See you there!

Lee Rudd traveled to Mississippi recently to pick up a 1941 Harley Davidson VL model. He plans to equip it with the sidecar he purchased recently.
