This Lent Start to Add Things

Does it seem like we just finished celebrating Christmas? The end of the Christmas season ended on January 8 and the beginning of Lent begins on February 14 (Take your significant other out on February 13 and the restaurants won't be so crowded- Just a thought.) with Ash Wednesday. That is just a tad more than a month, so Easter is early this year- April 1- and I'm not fooling you.

The standard mindset is to give up things for Lent, but we are also called to add things. Therefore, my challenge for you is to add things to your schedule for the season of Lent that you don't normally do. Let me give you some examples:

- Attend our Fish Fries @ St. Joseph
- Attend Stations of the Cross
- Pray the Rosary
- Pray at one of the daily Holy Hours
- Go to Confession
- Give a Complete Stranger a Compliment
- Go to the Chrism Mass at the Cathedral in Toledo
(11am Tuesday March 27)
- Do the household chore you hate the most that your spouse usually does
- Send a card a week to someone telling that person how much you are grateful that you know them
- Eat more Vegetables
- Visit Catholic sites on the Internet more than you check Facebook
- Add a Catholic App to your Smartphone
- Watch a movie about Faith once a week
- Call someone you haven't talked to in a while and see how he or she is doing

You get the idea that there are many things you could add this Lent and not just take away. Give it your best shot to try something new and offer it up to the Lord!

Thanks, and God Bless!!!

Fr. Chris

Reaching Out to the Fraizer Family...

Emily and Ashley Frazier were born on December 15th to Jake & Dawn (Gosser) Frazier. Shortly after that the diagnosis of Cystic Fibrosis was discovered. Many people have asked how they can help. Trips to Columbus are every 2 weeks for doctor appointments and treatments. If desired, donations of gas cards or money would be greatly appreciated. Donations can be placed in the collection basket with the girls' name. Any questions, please contact Rick or Jean Gosser at 419-683-2145. Your continued prayers for Jake and Dawn are a blessing! Thank you and God Bless!

Experience the difference at Sacred Heart School

We are accepting registrations for 2018/2019 school year. If you would like a personal guided tour of Sacred Heart School please contact Mrs. Myers at 419-342-2797 or 419-683-1697.

We really emphasize "personal best" at Sacred Heart School in and outside of the classroom. We adhere to the Diocesan and state courses of study. But we are also able to enhance our students' knowledge by offering different opportunities to expand their personal growth in all subject matters. We have the privilege not to teach to state tests. We are able to diversify our subject matters to ensure that all our students excel to their personal best. We are able to offer high school classes to our 8th grade students. This gives them the opportunity to take high school classes while still being in our small nurturing environment. It is one of our missions to expand your child's knowledge in all subjects at Sacred Heart School.

We offer many scholarship opportunities so that Sacred Heart School can be an affordable choice for **any** family. One of these is the Jon Peterson Scholarship which is for students who are currently on an IEP. We are also a provider for the EdChoice Expansion Scholarship which is available for families who meet certain income guidelines for incoming Kindergarten, first, second, third, fourth and fifth grade students. Also offered is the One Faith Many Blessings Scholarship available to families that may need tuition assistance to attend our school.

Our community of **Faith, Knowledge and Service** keeps evolving with the times while keeping a secure belief of our past. We are currently accepting registration for the 18-19 school year for students in preschool – eighth grade. To experience the difference that Sacred Heart School might make for your family, please call Mrs. Lisa Myers at 419-342-2797 or 419-683-1697 to schedule a personal tour of our school. Class sizes are limited at Sacred Heart School. Busing is also available for the surrounding communities. We ask you---is this the year that you and your child will experience firsthand the benefit of an excellent faith filled education?
