Introduction to ACSIL

What we do: We provide free and confidential support in the Liverpool and Merseyside area for people for whom an amputation may be necessary or who already are amputees, this also extends to their families, partners and carers.

Support: Based on first hand experience we can provide advice, practical help and support when and where needed. Much of our support is given in hospital prior to the operation and just after the operation.

And after: The Amputees and Carers Support Group is an active and dynamic group who meet regularly and organise social events to benefit members.

Our social day is every Wednesday between 10.30am - 3.30pm where you can chat and socialise with other people in a similar situation as yourself. We also provide day trips on specially adapted vehicles.

Interested?

Then contact ACSIL between 9.30am - 1pm Monday to Friday on 0151 261 1166 or come along to our office and drop-in centre at:

Understanding law, understanding you

Serious Injury & Amputation Specialists

Our expert solicitors are here to help you claim the compensation you deserve following an amputation due to personal injury or clinical negligence.

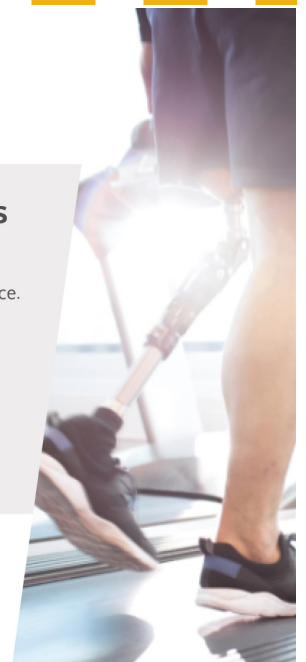

We have seen first hand how traumatic the experience is and how difficult it is to overcome an amputation. Our solicitors are highly experienced in helping amputees to gain the compensation that is crucial for re-adjusting to their new circumstances.

Amputation claims typically have a three year limitation from the date of your injury, so you should speak to an expert as soon as possible. We can help, contact us today for a free no obligation consultation!

UoL Circular Economy Project

NOTICE

We would like to take this opportunity to give our members a chance to make suggestions about future trips

If anyone has any ideas can you please get in touch with Ronnie in the office.

Members Notice

If any members need to borrow equipment we have scooters, ramps and walkers available.

Please note, if you or a family member have borrowed any equipment and are no longer using it, can you please get in touch with the office to arrange a return.

We are a team of engineers working at the University of Liverpool looking to create a circular lifecycle to plastic usage. Collecting plastic and repurposing it into new products that we can sell back to students. We are looking to transfer this knowledge to transform plastic hospital waste into personalised prosthetics that are affordable and durable.

THANK YOU!

We would like to thank Bob, Paul & Francine and all the staff at the Breckfield Centre for all their help and support.

We would like to thank Elaine Chambers for raising money from the sale of her handmade cards.

We would like to thank all the staff at the BNENC for all their help with our Christmas party. Thank you on behalf of the ACSIL Committee.

Thank you to Maggie Patton for her kind donation.

Thank you to Veronica & Ron for their continued help and support.

We would like to thank Chelsi Roberts for making cup's for the office with our logo.

Please Notice

For the safety of all our members, all amputees that need assistance must be accompanied by a carer or friend.

VOLUNTEERS NEEDED!

It is with great sadness that we have to once again ask for volunteers to help at the Hospital and the Prosthetics and Wheelchair Centre at Aintree. Unless we get more volunteers, we won't be able to offer these services.
