Halfway to Heaven Mustang Rescue is a 501(c)(3) Non-Profit organization whose mission is to care for, train, and provide a healthy, enriched environment for Mustangs in need. We prepare our horses for adoption into permanent loving homes and to be ambassadors for the great American horses of the West - the Mustangs! We strive to find permanent homes for Mustangs, whether adopted directly from us or another way.

At our rescue, we provide each horse with the care, training, and social interaction it needs to thrive. Our horses live in a natural herd environment, creating vital bonds that are essential to a horse's overall well-being. They participate in regular Positive Reinforcement training sessions, intending to create trusting, well-rounded horses that can excel in a variety of environments and disciplines. Because we are a small rescue, we can take our time with each horse to ensure they are adequately prepared to find their forever home. Select horses are made available as they complete our program. Halfway to Heaven Rescue also has Mustangs that may need special care, whether physically or emotionally, and will have sanctuary here with us for the entirety of their lives.

Many of our Mustangs come to us with baggage – Wild horses with fear and distrust of humans, trauma from being removed from the range, anxiety from being moved from home to home, and a total upheaval of everything they have ever known. We work very hard to form trusting bonds with these Mustangs and to return their inherent joy for living.

In addition to our role as a Mustang rescue with IRS 501(c)(3) status, we have a passion for educating the public about the rich history and status of the American Mustang.

Nestled in the heart of South Carolina, Aiken is a captivating city where history, charm, and modern vitality converge in an intimately Southern experience. With roots dating back to the early 19th century, Aiken boasts a rich history steeped in equestrian heritage, cultural diversity, and a strong sense of community. From our legendary training tracks that have nurtured world-renowned thoroughbreds to our intriguing arts scene that celebrates creativity in all forms, Aiken is a vibrant city woven from threads of tradition and innovation.

Aiken's history sparkles with stories of historic railroad connecting Aiken to the rest of the country, ushering in new eras of growth and development for the town. The town's significance further deepened as the Winter Colonists — Gilded Age glitterati who traveled south seeking respite from the cold winters of the Northeast — brought with them a legacy for gracious living and a fondness for equestrian pursuits, both of which continue to shape our city today.

Today, we pride ourselves on offering a range of experiences that invite every traveler to pursue their passion. Whether you're an outdoor enthusiast seeking picturesque trails and serene parks, a shopaholic exploring charming boutiques, a culinary connoisseur craving new and exciting flavors, or a history buff uncovering stories of the past, Aiken invites you to immerse yourself in our historic streets and enjoy your time in the beating heart of SC's Thoroughbred Country.

About the EQUUS Film & Arts Fest | The Mustang Summit

The EQUUS Film & Arts Fest takes place as an In-Person Event! It is the first event of its kind to offer a home to the storytellers of the horse world, with films, documentaries, videos, commercials, and shorts from around the world and cultural elements of fine equestrian art and literature. In 2025 EQUUS will host 20+ events from the Yukon to the UK!

The Mustang Summit has been added to the program as an educational platform to raise awareness and understanding about the American Mustangs in holding pens and available for adoption. A horse who has a safe and quiet start can be trainable and become a good partner. It is our mission to bring awareness to American Mustangs who need homes. Focusing on and highlighting the work taking place in the healing and equine assisted learning fields with Mustangs. Providing resources for all who want to learn about the Off-Range Mustang horse.

Founded in 2013 by Lisa Diersen, Director/Organizer, an equestrian, who has spent her life in the company of horses. Lisa's mission is to show the world how horses can bring everyone together regardless of race, age, gender, abilities or disabilities. She presently raises, trains and loves Lusitano horses in Saint Charles, Illinois with her Jack Russell, Amore.

Julianne Neal, with JA Media Productions, joined the team in 2016. As the EQUUS Film and Arts Fest Director of Production and Education.

Every horse has a story, it's our mission at the EQUUS Film & Arts Fest to share those stories, through film, art and literature.

The New York Times

Laurel Graeber of the NEW YORK TIMES wrote:

"EQUUS, however, has the heft and breadth of a Clydesdale, screening more than 80 films Friday through Sunday in Brooklyn. It also comprises equine art and book showcases, director panels and jury awards (the Winnies)... EQUUS has just instituted an on-demand streaming service for its films, which "aren't made in somebody's little back room on a laptop," said Lisa Diersen, an equestrian and former engineer who founded the festival in 2013, "These are PBS-quality documentaries." (Equus also shows a few fictional films.)"

Hundreds of films have gained recognition, found international distribution and reached global audiences We believe that film holds the power to experience a story in the most compelling way.

We empower storytellers to share their unique equine stories.

By placing the EQUUS Film Fest in the unique locations around the world, people from all walks of life can enjoy these inspiring stories.

We look forward to welcoming you to the EQUUS Film & Arts Fest, and The Mustang Summit where you can enjoy the impressive line-up of films, amazing artists and interesting authors, along with a full line up of Mustang Clinicians.

Lisa Mallory & Bill Finger

Halfway to Heaven Mustang Rescue

Aiken, South Carolina TEAM

Lisa grew up with horses in her life. She jokes that she loved horses before she was born. When she was young, she worked with Thoroughbred racehorses and showed Palomino Quarter horses. Lisa's first introduction to science-based horse training began in the 1990's when she attended an equine clicker training clinic with Alexandra Kurland. Lisa began studying the science of animal behavior and attending conferences and seminars with legendary animal trainers such as Bob Bailey and Karen Pryor. For many years Lisa worked as a professionally licensed dog trainer who helped owners train their dogs to be wonderful, well-behaved household companions. She also trained Scent Detection dogs and their handlers for competition and was a licensed AKC Scent Work Judge. Bill has always been devoted to the welfare of animals and has a Bachelor of Science Degree in Wildlife Ecology, with a Master's in Natural Resource Policy. As an attorney Bill has a law firm, Finger, Nelson & Maguire, PLLC, who specialize in Environmental Law. When their first horse came to live with them, Bill was a natural, quickly earning the nickname "Cowboy Bill" – for his use of “Cowboy Patter” (softly, continuously talking to horses) in his training and handling. Lisa and Bill share a love and devotion for the care and welfare of all horses, with a deep passion for our National Heritage Horses – The American Mustangs.

Deborah Maffettone

Halfway to Heaven Mustang Rescue

Aiken, South Carolina TEAM

Deborah has always had a heart for animals. With over 25 years of experience in dog rescue, she has rescued, rehabilitated, and rehomed hundreds of dogs in NYC and Long Island. Her compassion extended to volunteering at an Equine Rescue and Rehabilitation center, where she made treats for the horses, visited them weekly, and participated in Equus Coaching programs.

Deborah's deep love for horses brought her to Aiken, South Carolina, where she quickly became an integral part of the community. Shortly after her arrival, she adopted her first horse, Ollie—a rescue, of course. Just a few months later, she welcomed Spanky, a rescued donkey, into her growing farm family. This marked the beginning of a life-changing experience, bringing Deborah closer to the majestic animals she had dreamed of as a child. Her love for horses began with rides every weekend, starting at age seven and fond memories of watching John Wayne movies with her grandfather.

In her quest to make a difference in the local community, Deborah connected with Lisa Mallory and Bill Finger of Halfway to Heaven Mustang Rescue. They introduced her to their Mustangs, sparking her passion for these remarkable horses. At the 2024 Mustang Summit, Deborah fell in love with Tally, a stunning sorrel yearling filly, and bypassed the auction to bring her home. Since then, she has been working twice a week with her Mustang trainer, Brian Smith, to build a strong bond she already has with Tally. Her dedication to Tally, Ollie, and Spanky is truly inspiring.

Deborah's professional background is equally impressive. With extensive experience in the design community, she has collaborated with architects and interior designers to create custom window treatments and assist homeowners in designing their dream homes. Her expertise extends to helping clients navigate the complexities of construction and design.

As a local Realtor, Deborah is passionate about helping individuals and families in Aiken, as well as those relocating to South Carolina, find their ideal home, farm, or land. Having made the move herself, she understands the unique challenges of relocating and offers invaluable support, including organization and guidance on where to start when preparing to move or sell a home.

When she's not tending to her animals, assisting clients, or closing deals, Deborah can often be found enjoying downtown Aiken's vibrant restaurant scene, attending charitable events, or cheering on the players at a Polo match. Her active involvement in the community reflects her love for Aiken and its people.

Deborah's journey is a testament to the power of pursuing one's dreams and making a difference. Through her work with Tally and her dedication to her farm full of rescues, she is not only fulfilling her childhood aspirations but also creating a lasting impact in the lives of animals in need. Deborah reminds us all of the incredible influence one person can have on the world.
