**Did you know?** ... over 1,200 people have been killed and thousands of homes have been destroyed after a Tsunami, struck Indonesia, on Friday 28 September. Matthew Carter, CAFOD's Humanitarian Director, said: "Reports of the rising death toll, injuries and the destruction of infrastructure are extremely concerning. We will be doing all that we can to support our sister Caritas agencies to reach vulnerable families with the emergency aid they need to survive over the coming days and weeks". Families who have lost everything will need clean drinking water, food, shelter, medical and health services, alongside solar and fuel oil. Please keep the people of Indonesia in your thoughts and prayers.
