## The Lord's Prayer at Harvest Time

**Our Father**, Creator of all things, we come before You with thankful hearts for the gift of this season. As we see the fruits of the earth gathered in, we are reminded of Your abundant provision. You have blessed us with food, shelter, and life itself, and for this, we give You thanks and praise.

**Hallowed be Thy Name.** In every golden field, in the ripened fruits and grains, may Your name be glorified. Let the bounty of this harvest be a testimony of Your goodness and faithfulness. Teach us to remember the fruitfulness of Your holy Word.

**Thy kingdom come,** Let this harvest be a sign of Your coming kingdom, where there will be no hunger, no want, and no toil without reward. Help us to use the fruits of this season to serve our neighbors in need, showing them the love of Christ.

**Thy will be done on earth as it is in heaven.** Just as You care for the birds of the air and the lilies of the field, so You care for us. Let us trust in Your will and provision, knowing that You work all things together for good, even when the harvest is lean or the seasons are hard. May we always remember that Your good and gracious will is to bring us to Your eternal harvest.

**Give us this day our daily bread,** We give You thanks for the abundance before us. Help us to receive it with gratitude and humility, remembering that all we have comes from Your hand. Teach us to share this daily bread with those who have less, that none may go hungry in Your world.

**Forgive us our trespasses as we forgive those who trespass against us.** Lord, we confess the ways we have been poor stewards of Your creation. We have often taken Your gifts for granted, failed to care for the earth, and neglected the needs of others. For the sake of Christ, forgive us, and grant us a heart of repentance, to be faithful in the work You have given us, and to forgive one another with the bond of peace.

**Lead us not into temptation** as we enjoy the fruits of this season. Keep us from greed, wastefulness, and selfishness. Help us to live in contentment, trusting in Your provision and seeking first Your kingdom and righteousness.

**Deliver us from evil,** Lord. In this world where droughts, floods, and disasters can threaten the harvest, we ask for Your protection and mercy. Guard our communities and bless the hands that work the fields, that they may find safety, peace, and joy in the fruits of their labor. Above all, keep us from all things that would draw us away from You, that we may join the great eternal Harvest feast in Your Kingdom.

**For Thine is the kingdom, the power, and the glory forever. Amen.**
