Grades 5 and 6

### A. Scheduling

1. Teams will be allowed a maximum of 5 practice sessions per week during the pre-season and 2 practices per week once the season has begun (there are **no** practices for **Fall softball** once the season has begun).
2. A league representative should be consulted to confirm postponement of a game.
3. The visiting coach and the umpire must be notified at least 2 hours prior to game time if a game is to be postponed due to weather conditions.
4. The umpire will use discretion in deciding if a game is to be postponed.
5. Games must be stopped immediately upon sighting of lightning or upon hearing thunder. Fields must be cleared for at least 30 minutes AFTER the last time thunder is heard or lightning is seen.
6. It is the home team's responsibility to reschedule a game no more than two weeks after the postponement for any spring softball game (there are **no** makeup games for **Fall softball**).
7. Each game is 6 innings long. To be official, 4 innings must be completed (or 3 1/2 innings in the event the home team is ahead).

### B. Players

1. Each team will play up to 10 players in the field at a time.
2. No more than 6 players are allowed to be on the infield before the pitcher releases the ball.
3. There will be no substitutions allowed using players from higher divisions. Players from lower divisions can be used to prevent a team from forfeiting.
4. Added players must be declared prior to the start of a game, placed at the end of the batting order, and regular team players must get their first choice of field position.
5. Added players are allowed to pitch, if needed, but only 2 innings per game. Added players will **not** pitch the first or last inning.
6. Coaches should do everything they can to play the game as scheduled even if they are short-handed. If one team is short-handed the opposing team is strongly encouraged to send players to the short-handed team.
7. A team expecting to have fewer than 7 players is obligated to contact the opposing coach at least 24 hours before game time to reschedule the game.
8. All players will be included in a continuous batting order. The initial batting order reflects those players ready to play at game time. Late arrivals must be placed at the end of the batting order. If an injured player in the continuous batting order is unable to play she will be skipped in the order and the opposing team will not get an automatic out.
9. Each player must play 2 complete innings in the field unless the coach has a valid reason for not playing her.
10. Free defensive substitution rules will be in effect.
11. For spring playoff games: (There are **no playoffs for fall softball**).
  - i. If a team is unable to field at least 7 players at any point during the game, that team will forfeit.
  - ii. Players may be promoted from lower divisions only if there are not enough players available from the original roster.
  - iii. Players from other teams within the same division are NOT allowed to play on a playoff team.
  - iv. Players from lower divisions are NOT allowed to pitch.

2. **ANY player can be re-inserted as a pitcher** during a game.
3. A pitcher who has pitched at least 3 innings and whose team is leading by 9 runs or more cannot continue to pitch. This pitcher may re-enter, but only if her team leads by 7 runs or less.
4. The pitcher can pitch unlimited innings per game.
5. Any illegal pitch will be considered a ball.
6. Runners do NOT advance a base on an illegal pitch.
7. If a pitcher hits 3 batters in one inning she will be taken out for the rest of the inning. The pitcher can return to pitch during the game. However, if she hits 2 additional batters (or 5 total for the game) she must be taken out (from the pitcher's position) for the rest of the game.

2. The home team score book shall govern the score of the game.
3. *The look back rule is in effect.* When a pitcher has the ball within a 8-foot radius around the pitcher's rubber, the base runner is obligated to proceed in either direction to a base. If a player stands still or changes direction she will be called out UNLESS the pitcher makes a play for the runner.
4. ***Dropped 3rd strike rule is in effect.***
5. ***The infield fly rule is in effect.***

10. *Stealing of any base is permitted. Stealing home successfully is permitted only twice per inning.*
11. *Runners are allowed to advance only 1 base on an attempted steal.*
12. Bunting and stealing are NOT allowed when the team at bat is ahead by 7 or more runs. Runners are only allowed to advance on a batted ball.
13. Runners are allowed to tag up on fair and foul balls.
14. The continuation rule is **NOT** in effect. A batter who receives a base on balls is required to stop at first base.
15. **A new inning starting beyond 1 hour and 30 minutes will be declared the last (tie breaker being the only exception). No new innings will be started after 1 hour and 45 minutes. If there's a batter up at 1 hour and 45 minute mark, that batter may finish the at bat. If the inning isn't completed, the final score reverts to the previous inning.**
16. If the score is tied after 6 innings, and the game has lasted less than 1 hour and 45 minutes, a **tie breaker will go into effect**. The player who was the last completed at bat in the 6<sup>th</sup> inning will begin at 2<sup>nd</sup> base with the player batting after her in the order leading off the inning. The teams play subsequent innings using this format until one team wins or the 1 hour and 45 minutes has expired
17. Any tied games, in **extra** innings at the 2 hour mark, **will be declared a tie**.

### Run Limits

18. There is a **4** run per inning rule. Once a team has scored 4 runs, the half inning will be terminated, regardless of the number of outs.
19. If the team at bat is behind by 9 or more runs in any inning and there are fewer than 3 outs, they will be allowed to continue to score runs in that inning until their score is within 7 runs of the other team. This allows them to exceed the 4 run per inning rule prior to the last inning of the game.
20. There are no run limits in the last inning of the game.  
*Mercy rule is in effect once the losing team has batted 5 times and they are down by 15 or more runs.*

### E. Safety Rules

1. **All players must remove ALL jewelry to be eligible to play. Taping over earrings is not allowed.**
2. Metrowest softball strongly recommends the use of mouth guards on the playing field.
3. A batter that throws the bat will be given a warning (the umpire will inform the coaches and the player of the warning). The second time a batter throws the bat the player will be called out.
4. If the defensive player blocks the base path without possession of the ball, the runner will be safe.
