A Note from Rick: Markets steady to stronger this week at TLA. We had a strong test of all markets on Tuesday and they held up well in all categories. We had a big run of bull calves and the market was surprisingly good, especially for crossbred calves. Butcher cows and steers were steady while dairy cattle sold as good as they have for a while. The feeders were steady at best, but that doesn't come as a surprise with nothing much happening on the finish line for those cattle. We had a great Thanksgiving weekend and had a few days to spend with family to celebrate all that we have to be thankful for. Now it's time to finish up the Miller Yoder and Dutch Cross catalog for our upcoming Christmas Sale. We are excited about the lineup of horses that are coming to TLA and are looking forward to a great three day sale. After you've celebrated Christmas, be sure to make plans to visit TLA. It's going to be a fun three day event with a lot of top quality horses available for purchase. See you Tuesday at TLA!
