Fr: Trustees

---

There have been many inquiries by unit owners regarding the selection of entrance doors, storm doors, windows and sliders. We have put together several options for you to choose when replacing your doors since it is the unit owner's responsibility to maintain the above. Please feel free to submit your request to the board if you have something else in mind for your unit. Only selection or styles have been picked out not a manufacturer. Each owner will have to determine their own price range.

**INTERIOR DOORS**

- E17
- E21
- E26
- K1
- K14

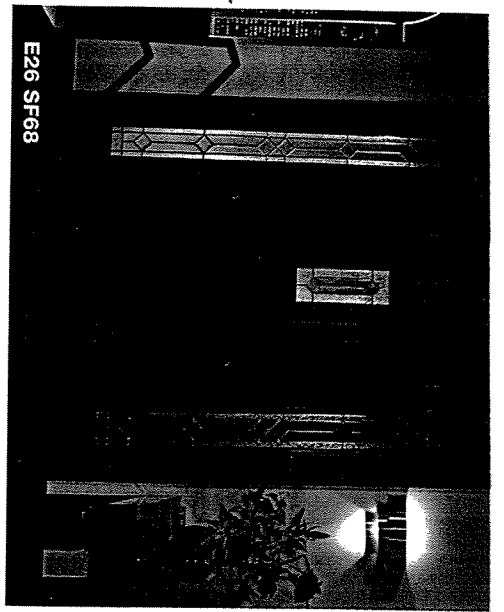

**Color scheme**

- Building:
- 137 – Hunter Green
  - 139 - Burgundy
  - 141 - Almond
  - 143 - Midnight Blue
  - 145 - Midnight Blue

**STORM DOOR and SLIDERS**

- Full glass or paneled
- White only

Storm doors can be put on by any unit owner since they do not affect the structure of the building. Interior doors can be put on by unit owners providing the frame does not have to be replaced. Anything pertaining to replacement of anything structural should be done by a professional who has insurance. Both the style of the door, the name of the contractor and their insurance needs to be submitted to Management Company.
