CHAPTER CHAT

**With Executive Director,
Dawn Brown**

Please join Dawn Brown for our first NASW-FL Chapter Conversation. This will be a time where you can find out what NASW-FL is doing and how you can get involved. It will also provide space for you to share ideas, have your questions answered and work towards building our collective future.

This is a virtual event. You will receive the zoom information the morning of the event.

To register, please visit www.naswfl.org/events.html.
