

"When it gets slower..." these seem to be the words we repeat often but never see come to reality. True, summers are extremely busy; however, summer months are busy with mission team volunteers. In October, we welcomed volunteers from over five churches. The Lord's Café and food giveaway are held three days a week, and After School @ The Learning Center is only three hours each day. We are thankful for the volunteers from Crossroads and community that make all this possible.

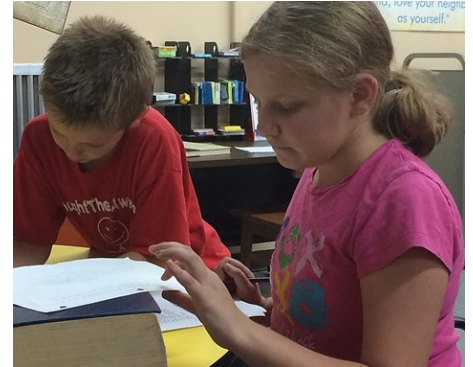

Our family is doing well. The kids are doing well with school and keeping up with assignments. This school year, all three of our kids help with After School @ The Learning Center to tutor. Some days, however, the time at after school is for

hanging out with friends. Someone this summer blessed our family with train tickets. I can now say, "I have rode the train".

We had a great time riding the train and spending time at Mine 18 exploring the river bed.

Over the past few months, Mia has been asking questions concerning security of salvation. After discussing this with her frequently, she came to understand she was not truly a believer in Christ. With many tears on a Saturday evening, Mia entered into relationship with Christ. My dad and I had the privilege of baptizing her the last Sunday of October. What an

incredible joy! Her greatest battle during this journey was pride. She was so concerned about what others would think since she had already been baptized. Gina and I assured her that many people have gotten wet but are letting pride prevent a new life.

In the past few month, I have shared our need for new supporters. I am thankful to report we have added a few new supporters to close the shortfall of support. In addition, we have traded the 2000 Expedition for a 2004 Expedition; this gives us passenger space and four wheel drive that is needed in the coming months. We do ask for your prayer support and financial support as we lean forward in faith.

In September, the Kentucky Baptist WMU featured The Lord's Café.; in October, The Lord's Café was featured in the KBC World Hunger promotion. This fall, TLC serves an average of 120 lunches each of the three days. We praise God for all the donations of food, resources, and volunteer hours given each week. Without partnerships, many in our area would not have food to eat. We are also extremely thankful to Wal Mart for the donations of food, especially meat.

Many individuals also receive hygiene and adult care items. The greatest need met for many are diapers. Not many days pass by during lunch that many are getting resources through the ministry closets. Thank you for all who donate and help keep these closets stocked and organized!

Now, it is time to gear up for the Community Thanksgiving Dinner and prepare for cold winter days.

The Lord's Café

Loving on children in Christ name is the primary reason After School @ The Learning Center is open. The two secondary reasons is to help

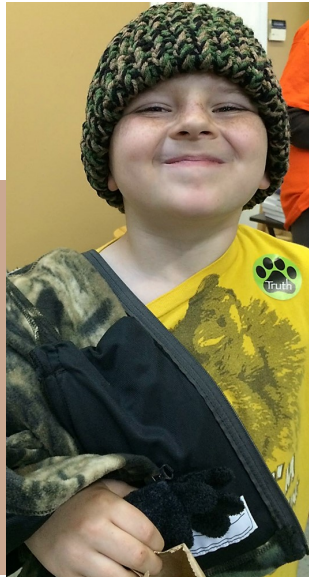

students learn more about the world God has created. As an added benefit, families are given quality time without the added stress of homework. We are blessed to have 25 active students this school year. This has been our largest enrollment.

Many of the students live with very difficult life situations. Everyday, the prayer request time includes many prayer request for parents that are not involved with their children's life due to jail, drugs, or other life issues. These kids are awesome!

You & Us

Thank you for your prayers and support! You are essential to us and the ministries at Crossroads. Here is how you can be involved:

Prayer—first and foremost!

Partnership—over half our family income comes from individuals, Sunday School classes, or churches just like yours. Would you consider join others to support our family? Donations can be made through Crossroads Community. (Please indicate “Pastor” in the memo line.) The church mailing address is:

PO Box 52
Whitley City, KY 42653

Preach —we would love to share with your church or organization what God is doing at Crossroads. If you would like to have us come, let us know! We love road trips!

Participate—come visit, come stay, come work...

India

India is still on the radar for the early part of 2015. Harrison has asked for his passport for Christmas! In addition, we have at least 4 other interested in going. We will be planning at least one more trip in 2015. See “You & Us” on ways you can be involved. We go because He commands us. We go because He is worthy of all people knowing Christ!

Summer 2015

Dates are filling up fast! We have a few weeks available to come be a part of Summer Missions. If summer is not good for you, remember, we welcome any size team all year long. There is never a dull moment in rural Appalachia Kentucky!

Help Needed

As the ministries here continue to grow and change, we continue to seek individuals or families desiring to fulfill God’s calling for missions and church planting. If you are interested in exploring short term or long term ministry here, please contact me.
