

Powderhorn National Ski Patrol Young Adult Parental Permission Form

_____ Name of Young Adult

_____ Birth date of Young Adult

As a Young Adult, you represent Powderhorn and the National Ski Patrol to the public both on and off duty. As such, any behaviors or activities that reflect poorly on yourself reflect poorly on our organizations and are grounds for dismissal from the program. Unacceptable behaviors include skiing/boarding under the influence of alcohol or drugs, reckless or dangerous activities, skiing in closed areas or otherwise violating the "Responsibility Code."

Training with the Powderhorn National Ski Patrol is in an outdoor setting and subjects the Young Adult to all the risks inherent in skiing. The Skier safety act applies, just as it does to all skiers and boarders.

OEC contains adult content, including bloody and graphic pictures in the textbook.

NSP bylaws require Young Adults reach the age of 15 before participating in any training. By signing below, you verify this age requirement.

Recognizing these risks enumerated and many more that can occur, I hereby consent to enrolling my above named child in the Young Adult program with the Powderhorn National Ski Patrol.

_____ Signature of Young Adult

_____ Signature of Parent/Guardian
