

Design-Driven Purchasing

Innvision Hospitality is a leading provider of furniture, fixtures and equipment (FF&E) procurement, interior design, and installation services to hotel owners and operators who are building or renovating their properties.

Since 2004, Innvision's field-based organization, has successfully completed FF&E procurement for thousands of hotels, resorts and conference centers. We make our clients' hotels visually striking, meeting budgets and hotel brand standards along the way. We are expertly versed in brand standards for many of the most prominent hotel franchises such as Carlson, Choice, Hilton, IHG, Marriott, Starwood, and Wyndham.

We apply our expertise to shepherd clients through each phase of their FF&E project so they can focus on the most important aspect of the hospitality business. Being able to meet clients at their properties helps us understand each client's unique needs in order to deliver the precise combination of FF&E products and services to meet their goals. Innvision's product line leverages CSM Cost Solution's unrivaled hospitality supplier relationships and significant purchasing power, enabling them to offer extremely competitive pricing and product exclusives.
