

# Kremmling Preschool Newsletter

October 13, 2021

**MS. KALONIE'S KORNER** - "What a fun few weeks we have had! We started talking about our community helpers and who those might be. We had a wonderful time when our firefighters came to visit. They came at a rescheduled date because they had to go help someone that was in an accident. It was something that made us proud! Yesterday we made thank you notes for all kinds of community helpers. I love hearing them talk about who they chose to make their thank you note for. Very creative class! Until next time, friends!"

**FLU SHOT**

**FLU VACCINE CLINIC** - The West Grand School District has coordinated with Middle Park Health to bring a flu vaccine clinic to our school for staff and students. They will be in the K8 board room on 10/26 from 7:15a - 9:15a if you would like to have your preschooler vaccinated. You will need to bring the permission form and \$20 to the clinic. If you have any questions, please reach out!

**HALLOWEEN PARTIES** - On Thursday, October 28<sup>th</sup> we will go trick-or-treating to Cliffview Assisted Living Center & Middle Park Health as well as have Halloween parties in each class. **The morning class children may come dressed in their costumes** and that group will be leaving at 9:15am for trick-or-treating. **Both the afternoon and full day classrooms may BRING their costume to school and the staff will help them get dressed.** Those two classes will be leaving at 1:45pm for trick-or-treating. If anyone is interested in being an adult chaparone we would love your help! We will have the parties immediate upon returning from trick-or-treating. Please see the ParentSquare for a sign-up sheet for treats for the parties! Please note: If your child doesn't normally attend on Thursday's, you may bring them and stay for trick-or-treating and the party. Please keep your child's costume accessories to a minimum and no weapons of any kind, thank you!

**OUTSIDE CLOTHES** - The weather has definitely made a change and it's getting cooler for sure! Please be sure to send your children with their warm jackets, hats, gloves, and warm outside shoes. We love to go outside and want to be sure everyone stays warm!

**OVER=====➔**

Do you ever wonder how you can get involved in your child's education? Has it crossed your mind on how to become active in our community? Well, here is your opportunity!! The Kremmling Preschool is looking for board members to help our preschool continue to operate and raise funds for our preschoolers. We are a private, non-profit corporation owned by parents, governed by a Board of Directors comprised of parents and community members.

The Board meets once a month on the second Wednesday of the month. The Board is responsible for determining the center's operational policies and for instructing the director in the implementation of policy decisions. Parents are always welcome at the center, and are encouraged to attend the monthly board meetings.

Come check us out, we would love to have you involved!

See Michele for more information!
