Paddle Boards!**

Launch your vessel from one of the many convenient locations around the harbor. We will meet up at Museum Beach at 12:30 pm (inner cove between lighthouse and yacht club).

At 1:00, we'll paddle past the lighthouse, then through the middle of the harbor to the Mill Wharf for the blessing and then loop the inner harbor, and back out to the center of the harbor.

There will be plenty of photo opportunities. Friends, family and non-paddlers can watch the parade from most any area along the harbor waterfront.

Safety is always a priority. Participants **must** have all required safety/flotation equipment. Younger paddlers must be accompanied by an adult. All paddle at their own risk. SHBA assumes no liability.
