

HOW TO START A GODMOBILE IN YOUR AREA

For over 20 years now God has been using the Godmobile ministry to lead multiple thousands of people to Christ each year.

We are so blessed and full of joy that you have decided to let God use you as a Gomobile ministry

Listed below are the steps in getting started. The task may seem a bit daunting, however it is really pretty simple once you get over the initial learning curve. The Lord and our team here in Washington State are here to help you as you go along

You can email me, Michael at mcorey777@gmail.com or call 253-777-0088 with questions, prayer needs or whatever. Our goal is to see you successful

In getting started there are a series of things you need to do. I have tried to put them in order of importance for you, so let's get started.

The cost for getting a Godmobile started should be under a thousand dollars. Your biggest expense will be your tent and banner

YOU WILL NEED A TENT OR TRAILOR: We suggest you start with a tent. It is less expensive and much quicker to get going with. When and if you want to get a trailer let me know and I will try to help point you in the right direction. Please remember you don't ever have to have a trailer to be successful in this ministry

You can find good tents at sporting good stores, like Sportco & GI Joes etc. Get one with sides, so you can close it up at night. (all your supplies will be inside it).

NOTE: we have link on the page where you found this document that says "pictures". There you will find pictures of what our tents look like and pictures for anything else I refer to as "check picture"

You will need tie downs for your tent. (in case of wind) "check picture"

NEXT YOU WILL NEED AT LEAST ONE BANNER:

You can get this made at a sign shop. Be sure to get dimensions for your tent and view pole set up for your sign "check pictures"

We suggest that you do not try to "reinvent the wheel" so to speak but follow the standard "two question test" that has been so successful and anointed for so many years. "check pictures.

NEXT YOU WILL NEED INSURANCE:

You can buy it at the fair you go to however it is better to get it from Paul Jenkins. He does blanket insurance for most all of the Godmobiles. The cost is about a hundred dollars a year. Give Paul a call

541-994-9328 and he will get this set up for you. PLEASE NOTE: you do need insurance, don't try to do this without it.

YOU WILL NEED SUPPLIES: here is a list to get started with

Flip charts. We have or will send you one completed and ready to go. You will have to make up 3 or 4 or more of them from the one we send you.

Tracts to hand out. We have or will send you a sample. Here is where to get more “Way to God (one of our most popular) go to www.wmp.com to order. These are free, though we usually give a donation to cover cost

Are you going to heaven, “take the two question test”. This is the tract that is basically the same as the “flip chart”. You can order them from Paul Jenkins. The same brother that does the insurance. (by the way he is one of the early founders of the Godmobile. His number again is 541-994-9328.

Bracelets to hand out. We have or will send you a sample. These are really great to get kids to come to the tent. They are very inexpensive. We put them in a small bucket on the counter and have the kids pick out the one they like (they are all different) after they take the test.

They are the 100 piece Mega Religious Sayings order # KP-24/1813 \$19.95 per 100 phone number to order is 800-228-2269

Tables 3 or 4 6 foot and 4 foot and some sort of non skid surface to keep flip charts from sliding on.

Bell to ring to get attention of people

4 Chairs, Wastebasket, Cooler with bottles of water for workers. If doing at night you will need lighting. (we rarely do events after dark)

3 or 4 plastic containers to store supplies in (so they don't get wet)

NOW YOU ARE READY TO FIND A FAIR AND BOOK A SPOT AT IT:

Probably the best way to do this is to “Google” fairs in your area. We suggest smaller local fairs to start. The big fairs cost more money, last longer, and require more staffing of people to work them. The smaller fairs (especially ones with rides) are the best. They usually happen from Friday night thru Sunday.

Call the fair and ask how to get a spot. You may be able to do it online. It is that easy. They probably will want your money when you register. Be sure and have your insurance lined up.

STAFFING YOUR EVENT: The shifts run 10AM to 2PM 2PM to 6PM 6PM to 10PM. you should have 2 or more, up to 4 people at each shift. Actually since you are just starting you can get by with two. You and one other for each shift

Practice a few times with the flip chart and you are ready to go.

DISCIPLESHIP FOLLOW UP PROGRAM: This is fully explained in another link on the resource page. You will need to download and print out slips for people to fill in that pray with you at the booth.

AFTER THE EVENT: Follow the instructions on how to do the discipleship follow up program

This is how we do it. There are nuances you will learn as you go. Of course call or email me with any questions. The Lord is with you and you will lead many to Christ. We have been doing for more than 20 years and it still continues to work.
