

Grand of New Mexico

President Message #4

October 2020

Dear Grand of New Mexico,

Another COVID month has flown by, weather is changing, but we are still working hard for our Veterans!

Thank you to the Officers, Chairmen, Presidents, and members who all attended the C of A and training. It was nice to see everyone, catch up and check on each other. Wish we could of done this in person but one day we will be able to go back to “normal/old” ways, until then we need to stay strong and keep moving forward. Just because the world has “stopped” doesn’t mean we have to, we find ways to continue to work our Veterans and the Hospitals.

I want to say thank you to Apollo #20 for the wonderful Hospitality at their meeting. With that being said they were my First Official Visit and Inspection. Me and the Grand Inspector will be doing more inspections this month.

Presidents please let me know when, where, and how you are having your meetings. Even with COVID we have to keep moving forward, have meetings, and support our veterans. So please send me an email ([dgarcia81@centurylink.net](mailto:dgarcia81@centurylink.net)), call or text me (505-974-0018) and let me know when, where, and how you are having your meeting!

Keep working on your membership, call your members, send them a card, grab a lawn chair and go talk to them from their front yard (be sure to wear a mask and practice social distancing). Send in your Transmittals right away, don’t hold on to them for too long.

Remember to send in your reports to the Grand Chairmen, especially your Hospital Report. We are all here if any auxiliary, or member needs help, please don’t hesitate to reach out to any of us.

Loyally,

Dominique C. Garcia

Grand President
