Medication Assisted Recovery Distance Learning Program

ICAADA MAR Intensive

The Medication Assisted Recovery Distance Learning Program contains 6 individual courses which have been approved by ICAADA for 35 hours of content. All of the materials needed to complete the courses can be found on the Science 2 Service dedicated website www.S2SDL.org and are available for download or printing.

After successfully finishing all courses in the program, you will be issued a certificate of completion.

It is *recommended* that you complete the courses in the following order and proposed schedule:

> **Course 1: The Science of Addiction - 1 hour**
> > **1 Module in course**

> **Course 2: Medications for Opioid Use Disorder - 12 hours**
> > **2 Modules in course**

> **Course 3: Recovery Oriented Methadone Maintenance - 10 hours**
> > **4 Modules in course**

> **Course 4: The Anti Medication Bias - 2 hours**
> > **1 Module in course**

> **Course 5: An Introduction to Alcohol Pharmacotherapy - 4 hours**
> > **2 Modules in course**

> **Course 6: Detoxification - 6 hours**
> > **4 Modules in course**

Please submit answer sheets via email to s2s@ctcertboard.org. Please do NOT submit your answer sheets to jquamme@ctcertboard.org even though it is indicated on the answer sheets. Please note that participants should submit completed content only after an entire course has been completed (all modules of a course should be submitted at the same time for each individual course) or once all 6 courses have been completed. Please do not submit individual modules as this will increase turnaround time for scoring of your courses.

You may fax your answer sheets to 203.621.3111

If you have any questions about the program, please email info@ctcertboard.org
