## **PRESIDENT'S NOTES**

As I enter my notes, Dorian still hasn't moved. Two weeks of watching that on tv and no other news getting boring. But hopefully we'll be fine which is what the weather man is indicating now. Like so many post-Irma, we wanted to get out and fish and I'm sure that is the attitude for this month's River tournament. Remember September is a busy month with three tournaments so look so see most of you at those especially the September open to represent the club. See you at the meeting.
