**LEGAL DISCLAIMER:** Neither WAHA, All Around Equine Events, owners, facility, stable management or show officials will be held responsible in any way for the loss or damage to any persons, animals, property or equipment that may be caused by any horse or pony entered by him or her or due to carelessness or negligence of the person or persons in charge of such horse or pony or of their subordinates.

**NOTICE:** "A person who is engaged for compensation in the rental of equines, equine equipment or tack or in the instruction of a person riding or driving of an equine is not liable for the injury or death of a person involved in equine activities resulting from the inherent risks of equine activities, as defined in section 895.481 (1)(e) of the Wisconsin Statutes."

It is clear that there are certain inherent dangers associated with horseback riding. One of those dangers is the risk of suffering serious head injuries should the rider fall or be thrown from his/her horse. It is therefore the policy of All Around Equine Events, owners and those involved with this show, that safety helmets will be worn at all times when riders are mounted.

I, \_\_\_\_\_ (print), being fully aware for that policy & the reasons for it, choose of my own free will, not to wear a safety riding helmet. In taking this action, I hold WAHA, All Around Equine Events, owners and those involved with this show and their insurer free of any and all liabilities for injuries that I may receive as a result of my actions & failure to wear a safety riding helmet.

WAHA, All Around Equine Events, Staff, owners nor those involved with this show will be held responsible for theft, damage, or injury to horses or people.
