Dear Friend,

I have never seen so many law enforcement officers struggling as I have the past few years in our country. Many have been discouraged and have wanted to leave for another profession. God has given us a great opportunity to minister to them and encourage them during this difficult time in our country.

In the past several years, we have ministered to over 1000 police officers here in the USA. God has greatly blessed our ministry to these officers, and many have heard the gospel and others have been encouraged in their faith.

We have 4 lunches a month in the following Colorado cities of Denver, Westminster, Colorado Springs and Pueblo. Officers from these cities and the surrounding area come to lunch on duty and we feed them and minister to them. Many of the officers who come are not believers and we are sharing the gospel with them on a regular basis. We are praying they will come to know Christ as their Savior. Many have thanked us for our ministry to them and the way God has used our ministry to bless and help them.

Marlene and I will be in Iraq this month and will be helping our son-in-law and daughter as she gives birth to their 4<sup>th</sup> child. I am also planning on meeting with the police in their city to talk about future training. I am praying for an opportunity to share the gospel with them.

Thank you for partnering with us and investing in God's kingdom. There is no investment of time and money that is greater than proclaiming the gospel and making disciples.

May the Lord continue to bless you as you walk with God and invest in His kingdom.

Sincerely,

Randy Green  
President
