

**2014
Florida
Renewable
Energy Tour**

Tallahassee Tour Stop

Wednesday, March 26th, 2014

The Florida Alliance for Renewable Energy (FARE) welcomes you to be part of the 2014 Florida Renewable Energy Tour. This tour will travel through 7 cities across the state, reaching an audience of over 1000 individuals and businesses. The tour will feature site visits to renewable energy installations as well as discussion of renewable energy legislation happening during the

2014 Legislative Session and ongoing efforts to protect net-metering in Florida. The tour will also feature industry & policy experts and state & local elected officials.
