- In home medical support for medically complicated, fragile, or non-compliant patients
- Medication Reconciliation
- Home Safety evaluations
- High-utilizers (of 911)
- High-utilizers (of ED)
- On demand support for Home Health & Hospice

Protocols: <http://tcemca.org/protocols/>

Lead organization: Clinton Area Ambulance Service Authority

Partnerships/Resources/Initiatives

- Mid-Michigan District Health Department Pathways Program
- Clinton County Medical Center
- St Johns Internal Medicine
- Sparrow Medical Group-St Johns
- Sparrow Medical Group-Dewitt
- BP Rajesh, MD
- MDHHS—Adult Protective Services
- Sparrow Clinton Hospital

Compensation and Sustainability: Our organization currently is supported primarily by our Agency itself with the support of our Board of Directors and occasional donations. We operate very frugally and have been able to sustain our services since our inception in November 2015 without interruption. We are actively working on options to add to our financial resources to allow for the needed and expected growth of this program.
